Subject : **REVISED BAYANIHAN PROGRAM GUIDELINES AND
LAUNCH SCHEDULE (A.Y. 2026-2027)**

CAREN R. CAMPANER

Please be informed of the **Revised Bayanihan Program Guidelines and Launch Schedule for Academic Year 2026-2027**. These revised guidelines have been established to provide clearer direction on the implementation, coordination, and participation in the Bayanihan Program, ensuring a more organized, consistent, and effective execution of its activities throughout the academic year.

All Institutes are responsible in disseminating the scheduled program and guidelines to all participating sections. The comprehensive guidelines, including the program procedures, responsibilities, and launch schedule for A.Y. 2026-2027, are provided in the attached document below.

FOR STRICT COMPLIANCE.

KLD BAYANIHAN PROGRAM

A. Y. 2026 – 2027

A. MONTHLY COHORT ROTATION SCHEDULE

A.1 To ensure equitable and manageable student participation throughout the academic year, the KLD Bayanihan Program will adopt a monthly cohort rotation system. Designated student cohorts will participate according to the schedule below:

Month / Implementation	Designated Student Cohorts	Number of Students to Participate
September 24, 2026 & January 2027	BSCE (Years 1–4), BSCS (Years 1–2), BSLS (Years 1–2), BSDS, BSMLS	1,793
October 2026 & February 2027	BSIS (Years 1–4), BSM (Years 1–3)	1,752
November 2026 & March 2027	BSM (Year 4), BSN (Years 1–4), BSP (Year 1)	1,771
December 2026 & April 2027	BSP (Years 2–4), BSSW (Years 1–2)	1,800

Each designated cohort will participate during its assigned month.

- The concerned Institute will ensure that all students in the designated cohorts are properly informed of the schedule, assigned areas, required materials, and expected tasks.
- CSSMU will coordinate the deployment of participating students and may adjust specific area assignments, when necessary, due to facility requirements, safety concerns, weather conditions, institutional activities, or other legitimate operational considerations.
- Any approved changes will be communicated to the concerned Institutes and participating students at the earliest practicable opportunity.
- The rotation schedule will be periodically reviewed to ensure balanced participation and effective campus-wide implementation.

B. BAYANIHAN LAUNCH

B.1 Date and Time

September 24, 2026 | 2:00 PM–5:00 PM

The first implementation of the KLD Bayanihan Program will serve as the official launch of the revised program and will involve the student cohorts identified for the September 2026 implementation.

Building the foundation for the

Association of Local
Colleges and
Universities (ALCU).

OFFICE OF THE PRESIDENT

Center for Facilities Operations, Risk management, Campus support, and Engineering

B.2 Activity Time Frame

The launch activity will be conducted within a three-hour period, following the schedule below:

Activity / Area	Time	Duration
Registration (Building Lobby)	2:00-2:15 PM	0.25 hours
Cleaning of classrooms, common areas and other learning spaces	2:15–4:00 PM	1.75 hours
Cleaning of toilet areas	4:00–5:00 PM	1 hour/s
Total	2:00–5:00 PM	3 hours

Note: As long as target objectives are accomplished upon evaluation of assigned inspectors, time frame may be adjusted accordingly. Room and space assignments may be adjusted by CFORCE when operational or safety conditions require a different deployment arrangement.

B.3 Cleaning Materials and Supplies

As indicated in the Section C of the 2026 Revised Bayanihan Guidelines, students must bring the following.

9 sets (each section) of Indoor Cleaning Materials and Supplies

- Soft broom
- Dustpan
- Mops
- Cleaning rags
- All-purpose cleaner
- Trash bags

BSMLS105 shall bring the following Outdoor Cleaning Materials and Supplies

- Broomstick (Walis Ting-ting)
- Sacks/Trash bags
- Gardening gloves

B.4 Inclusive and Alternative Participation

Students who have valid reasons to be excused such as health concerns or ongoing face-to-face/on-campus activities during the launch are encouraged to donate cleaning materials such as soft broom, dustpan, or cleaning rags/dusters as per **Section E of the 2026 Revised Bayanihan Guidelines**.

OFFICE OF THE PRESIDENT

Center for Facilities Operations, Risk management, Campus support, and Engineering

B.5 Area Assignment

Specific area assignments (covering designated rooms, restrooms, stairwells, and hallways) along with their corresponding program monitoring forms will be issued on the day of the Bayanihan Program.

REVISED BAYANIHAN PROGRAM GUIDELINES (A.Y. 2026-2027)

The KLD Bayanihan Program is a community engagement and social responsibility initiative of the Kolehiyo ng Lungsod ng Dasmariñas (KLD) that promotes the Filipino spirit of bayanihan through collective action, service, and community empowerment. It mobilizes students, faculty, staff, alumni, and external partners to address community needs through sustainable initiatives in education, health, livelihood, environmental protection, disaster preparedness, and social development.

The program emphasizes inclusive participation, collaboration, sustainability, and long-term impact, encouraging communities to actively participate in identifying needs, implementing solutions, and evaluating outcomes. It also provides KLD students with opportunities to apply their knowledge and develop leadership, empathy, civic responsibility, and a commitment to nation-building.

Ultimately, KLD Bayanihan strengthens the partnership between the academe and the community by transforming bayanihan into meaningful and sustainable action that promotes empowerment, resilience, and community development.

PROGRAM OBJECTIVES

The Bayanihan Program aims to cultivate a strong culture of unity, compassion, volunteerism, shared responsibility, and service among college students by engaging them in meaningful initiatives that address the needs of their peers, the school, and the wider community.

The program aims to build a strong culture of Bayanihan among students by promoting unity, collaboration, volunteerism, empathy, *malasakit*, leadership, accountability, and active service. It encourages students to translate Filipino values such as *pagtutulungan*, *pagkakaisa*, and *pakikipagkapwa* into meaningful actions, recognize exemplary contributions, and carry these values into their future professional and community lives. It also ensures inclusive and organized participation by requiring every student to participate at least once per academic term while maintaining a practical number of participants per session for effective implementation.

OFFICE OF THE PRESIDENT

Center for Facilities Operations, Risk management, Campus support, and Engineering

BAYANIHAN GENERAL OPERATIONAL GUIDELINES

The KLD Bayanihan Program will be implemented through a structured, safe, and accountable system that ensures the meaningful participation of students while maintaining the cleanliness, order, safety, and proper management of campus facilities. The following operational guidelines shall govern the planning, assignment, implementation, supervision, documentation, and evaluation of all Bayanihan activities.

A. FREQUENCY, GOVERNANCE, AND ACTIVITY PREPARATION

A.1 Monthly Implementation

The KLD Bayanihan Program will be conducted on a monthly basis in accordance with the approved institutional schedule.

A.2 Program Oversight

The Campus Services and Space Management Unit (CSSMU) will have primary operational oversight of the program, including activity planning, area assignment, supervision, safety coordination, monitoring, documentation, and evaluation.

A.3 Equitable Area Assignment

Cleaning areas will be distributed equitably and according to the needs and condition of campus facilities, the nature of the required work, and the number of participating students. CSSMU may modify assignments when operational, safety, weather, or facility conditions warrant such changes.

B. SECTION PARTICIPATION, CHECKLIST, AND TEAM LEADER

B.1 Mandatory Section Participation

Assigned sections will participate in their scheduled Bayanihan activity and shall ensure that all designated members are properly informed of their responsibilities.

B.2 Participation and Task Checklist

Each section will accomplish the prescribed Bayanihan checklist containing the names of participating members, assigned tasks, completion status, and other required information.

B.3 Team Leader

- Each section will designate a Team Leader who will:
- Coordinate the group's activities;
- Distribute tasks among members;
- Monitor the quality and completion of assigned work;
- Ensure compliance with safety and operational instructions;
- Maintain the group's checklist; and

OFFICE OF THE PRESIDENT

Center for Facilities Operations, Risk management, Campus support, and Engineering

- Coordinate with the assigned CSSMU personnel regarding concerns or necessary adjustments.

B.4 Two-Copy Checklist System

- Two (2) copies of the completed checklist will be maintained:
- One (1) copy for the student group/Team Leader; and
- One (1) copy for the assigned utility/CSSMU personnel for verification and official documentation.

B.5 Verification of Accomplishment

The assigned CSSMU personnel will verify the completion and quality of the assigned tasks and may provide remarks or recommendations as necessary.

C. CLEANING MATERIALS AND SUPPLIES

Students will bring only the basic cleaning materials and supplies specified in their Advance Bayanihan Assignment Packet. Materials will be appropriate to the assigned area and shall be used responsibly.

C.1 Assigned Indoor Areas.

Students assigned to indoor cleaning areas shall bring:

Cleaning Materials and Supplies

- Soft brooms
- Dustpans
- Mops
- Cleaning rags
- All-purpose cleaner
- Trash bags

C.2 Assigned Outdoor Areas

Students assigned to outdoor cleaning areas shall bring:

Cleaning Materials and Supplies

- Broomstick (Walis Ting-ting)
- Sacks/Trash bags
- Gardening gloves

D. STUDENT SAFETY AND WORK LIMITATIONS

D.1 Safety as a Priority

All Bayanihan activities will be performed in accordance with KLD's applicable health, safety, and facility management policies.

D.2 Appropriate Attire

Students will wear appropriate and comfortable attire suitable for their assigned cleaning activities. Closed footwear and protective equipment will be used when required by the nature of the task.

OFFICE OF THE PRESIDENT

Center for Facilities Operations, Risk management, Campus support, and Engineering

D.3 Restricted Activities

- Students shall not undertake activities involving:
- Roof decks or elevated areas;
- Electrical systems or electrical equipment;
- Hazardous chemicals or materials;
- Specialized machinery or equipment;
- Structural repairs;
- Other tasks identified by CSSMU as unsafe or beyond the scope of student participation.

D.4 Reporting of Hazards and Incidents

Any injury, unsafe condition, damaged facility, electrical hazard, chemical spill, blocked drain, or other incident will immediately be reported to the Team Leader and assigned CSSMU personnel.

Students will remain within their assigned areas and perform only the tasks authorized under their assignment. They will not enter restricted areas or operate equipment without authorization.

E. INFRASTRUCTURE AND FACILITY PROTECTION

E.1 Prohibited Disposal

Solid waste, dirt, leaves, debris, and other materials collected during cleaning will not be intentionally washed or swept into slop sinks or floor drains.

Debris collected from cleaning activities will be gathered and disposed of in the designated waste receptacles or collection points in accordance with KLD's waste management procedures.

E.2 Damage Prevention

Participants will exercise due care to prevent damage to sinks, drainage systems, furniture, landscaping, walls, floors, equipment, and other campus property.

F. INCLUSIVE AND ALTERNATIVE PARTICIPATION

F.1 Inclusive Participation

KLD will ensure that students with disabilities are provided with meaningful, safe, and equitable opportunities to participate in the Bayanihan Program.

F.2 Reasonable Accommodation

Students with disabilities may be assigned alternative tasks based on their individual accessibility requirements, functional abilities, safety considerations, and appropriate consultation with the concerned Institute and CSSMU.

OFFICE OF THE PRESIDENT

Center for Facilities Operations, Risk management, Campus support, and Engineering

F.3 Alternative Bayanihan Activities

Approved alternative activities may include:

- Voluntary donation of cleaning materials
- Attendance and registration support;
- Documentation and activity reporting;
- Data encoding and records consolidation;
- Waste segregation monitoring from an accessible location;
- Survey and community-needs assessment;
- Administrative or logistical support;
- Other meaningful tasks approved by CSSMU.

G. COMPLIANCE AND PARTICIPATION REQUIREMENTS

G.1 Mandatory Attendance

Attendance will be mandatory for students belonging to assigned cohorts/sections.

G.2 Valid Authorization for Non-Participation

A student who cannot participate due to a legitimate reason must secure the appropriate authorization or documentation in accordance with applicable KLD policies.

G.3 Unauthorized Non-Participation

Failure to participate without valid authorization will be considered non-compliance with the program requirements and may result in the non-signing of the student's clearance, subject to applicable institutional policies and due process.

G.4 Alternative Compliance for Approved Cases

Students granted an approved accommodation or alternative participation arrangement will be considered compliant upon completion of the assigned alternative activity.

G.5 Accurate Documentation

Students will provide truthful information in attendance sheets, checklists, and other Bayanihan documentation. Falsification of attendance or participation records will be subject to appropriate institutional action.

H. INCENTIVIZATION, RECOGNITION, AND REWARD SYSTEM

H.1 Purpose of Recognition

The program will recognize students, Team Leaders, and sections that demonstrate exemplary commitment to service, teamwork, leadership, initiative, accountability, safety, and the values of bayanihan.

Performance will be evaluated using the following standardized 100-point rubric:

OFFICE OF THE PRESIDENT

Center for Facilities Operations, Risk management, Campus support, and Engineering

Criteria Weight

- Participation and Attendance 20%
- Quality and Completion of Assigned Tasks 25%
- Teamwork and Cooperation 15%
- Leadership and Accountability 15%
- Safety and Proper Conduct 10%
- Initiative and Resourcefulness 10%
- Bayanihan Values and Social Impact 5%
- TOTAL 100%

H.3 Performance Rating

Score Rating Suggested Recognition

95–100 Outstanding	-	Outstanding Bayanihan Recognition
90–94 Excellent	-	Excellent Bayanihan Recognition
85–89 Very Good	-	Commendable Bayanihan Recognition
80–84 Good	-	Certificate of Participation/Commendation
Below 80	-	Needs Improvement Participation documented; feedback/coaching

H.4 Recognition Categories

Subject to institutional approval, KLD may confer:

- Outstanding Bayanihan Section;
- Bayanihan Excellence Award;
- Outstanding Bayanihan Team Leader;
- Bayanihan Volunteer Award;
- Inclusive Bayanihan Award; and
- Bayanihan Spirit Award.

H.5 Eligibility for Recognition

To qualify, the section or individual must have:

- Completed the required participation;
- Properly accomplished the required documentation;
- Completed the assigned or approved alternative tasks;
- Complied with safety and institutional policies; and
- Received verification from the assigned CSSMU personnel.

H.6 Forms of Incentives

Approved incentives may include certificates, commendation letters, public recognition, official KLD announcements, Bayanihan badges or symbolic awards, and other appropriate non-monetary incentives.

OFFICE OF THE PRESIDENT

Center for Facilities Operations, Risk management, Campus support, and Engineering

H.7 Equal Opportunity for Recognition

Students participating through approved alternative assignments will be evaluated based on the quality, responsibility, initiative, teamwork, and impact of their contribution, rather than physical workload.

I. MONITORING, DOCUMENTATION, AND EVALUATION

I.1 CSSMU Monitoring

CSSMU will monitor participation, task completion, safety compliance, and overall implementation of each Bayanihan activity.

I.2 Documentation

Attendance records, task checklists, supervisor assessments, photographs where appropriate, and other relevant documents will be maintained as official program records.

I.3 Performance Assessment

CSSMU, in coordination with the concerned Institutes, may consolidate monthly performance records for purposes of monitoring, evaluation, and recognition.

I.4 Feedback and Continuous Improvement

Feedback from students, Team Leaders, Associate Deans, CSSMU personnel, and other concerned stakeholders may be collected to identify operational concerns and improve succeeding activities.

I.5 Annual Program Review

The program will be periodically reviewed to determine its effectiveness, participation rate, operational efficiency, safety performance, and contribution to the KLD campus community.

J. GENERAL PRINCIPLES

The KLD Bayanihan Program will be guided by the principles of service, volunteerism, inclusivity, accountability, safety, teamwork, respect, sustainability, and shared responsibility. All participants are expected to demonstrate *pagtutulungan*, *pagkakaisa*, *malasakit*, and *pakikipagkapwa* in the performance of their assigned responsibilities.

REPUBLIC OF THE PHILIPPINES
PROVINCE OF CAVITE
CITY OF DASMARIÑAS

KOLEHIYO NG LUNGSOD NG DASMARIÑAS
City College of Dasmariñas

OFFICE OF THE PRESIDENT

Center for Facilities Operations, Risk management, Campus support, and Engineering

The program will recognize that Bayanihan is not measured solely by physical labor, but by the willingness and ability of every student to contribute meaningfully to the welfare of the KLD community. Accordingly, the program will provide equitable opportunities for participation while maintaining clear standards for safety, accountability, performance, and institutional compliance.

This version also makes the clearance provision more policy-safe by tying non-signing to unauthorized non-participation and applicable institutional rules, while explicitly protecting students who have approved accommodations or alternative participation arrangements.
